

The Society

Founded by twelve women in 1927, today The Delta Kappa Gamma Society International has chapters in 14 countries.

Society Purposes

- To unite women educators of the world in a genuine spiritual fellowship
- To honor women who have given or who evidence a potential for distinctive service in any field of education
- To advance the professional interest and position of women in education
- To initiate, endorse, and support desirable legislation or other suitable endeavors in the interests of education and of women educators

- To endow scholarships to aid outstanding women educators in pursuing graduate study and to grant fellowships to women educators from other countries
- To stimulate personal and professional growth to members and to encourage their participation in appropriate

programs of action

- To inform members about current economic, social, political, and educational issues so that they may participate effectively in a world society

About DKG

Delta Kappa Gamma promotes professional and personal growth of women educators and excellence in education.

The Delta Kappa Gamma Society International:

- * Offers educationally sound, relevant programs that enhance individuals' professionalism and the quality of community life.
 - * Recognizes and celebrates achievements of women educators.
 - * Offers opportunities to enhance leadership development at local, regional and international levels.
 - * Funds support to members seeking educational advancement and diverse learning opportunities.
 - * Advocates for educational excellence through its projects and activities.
 - * Presents innovative professional development opportunities for all educators.
 - * Gives financial support to outstanding educational/community projects and to women students outside the United States and Canada pursuing professional careers.
 - * Supports international networking across all fields and levels of education.
 - * Provides members with fellowship, friendship and support.
 - * Offers mentors to women educators, providing mutual support and interaction in all educational fields and at all levels.
- The nurturing environment of the Society encourages all members to grow and reach the highest levels of professional and personal accomplishments their many unique talents allow. creativity, for leadership and for service through varied programs of action.
